WE ARE PROUD TO INTRODUCE

# *Pay-As-You-Go Workers Compensation Insurance*

## MINIMIZED AUDIT DISCREPANCIES

Yearly premiums are based on actual payroll (not estimates)  
which practically eliminates any audit surprises.

## IMPROVED CASH FLOW

Premium payments are made each payroll processing period and no large,  
upfront premium deposits are required.

## GREATER CONVENIENCE

Automatic premium deductions help reduce the risk of cancellation from  
late payment and help keep essential coverage in place.
