

Help your National Network succeed, by offering them a full-serviced payroll solution – at an affordable price.

The payroll solution that's inSync with Your National Network

You depend on your National Network to promote your brand, sell your products or services, and keep customers satisfied. So the more you can do to free them from time-consuming administrative tasks, the more they can focus on what they do best —Sales and Service.

By partnering with inSync Payroll, you can provide your National Network with a comprehensive, payroll processing service that eliminates payroll paperwork—the #1 administrative headache for small business—at Preferred Partnership Pricing: an ADDITIONAL 30% off our already low pricing.

The benefits of a national marketing partnership with inSync Payroll will:

- Receive sponsorship or participation funds based on marketing program implementation and success
- Provide payroll processing tools and expertise they could not afford on their own
- Get them the best possible preferred pricing with national economies of scale
- Strengthen your National Network relationships
- Provide access to value-added IT services available, such as web and email hosting
- Enable Customized Marketing Services
 - Web Enrollment Landing Page
 - Marketing Materials
 - Communication
 - Partnership Branding
- Give access to our Preferred Client Services Helpline
- Offer FREE Premium Payroll Service for your HQ Organization

...all without any added administrative work or cost for you.

Our easy-to-use, customized inSync Payroll solution includes:

- Direct Deposits & Paper Paycheck
- \$500,000 – Payroll Protection Policy
- Tax withholding and filing compliance
- Time clock, salary and commission pay
- Employee benefits, insurance and retirement
- Custom reporting options and management tools
- Seamless integration with existing accounting systems
- Built-in firewall and encryption security
- Timeclock solutions

Take the next step.
